1. Background Information

Organizational Background

The association "Sreken Zivot" (Happy life) is a nongovernmental and nonprofit organization formed in December 2001. Within its long history, the organization works to improve the mental health of children, youth and women, promoting multicultural understanding, respect, tolerance and communication among members of different ethnic groups; organizing and conducting seminars, workshops for teachers in elementary and VET schools, panel discussions and other educational activities.

The program objectives of the *Association Happy Life* include improvement of the quality of life of the citizens of the Republic of Macedonia. This objective can be implemented by creating opportunities for the citizens, mainly for the younger people, for acquisition of know-how and skills they will be able to use for the challenges that await them in their lives. One of the key priorities of the organization is to create opportunities for acquisition of practical knowledge and skills for the younger population that will enable them easier employability of self-employability, resulting in better self-sustainability.

In this regard, the *Association Happy Life* more than 7 years is supporting VET schools and VET Centre on the reforms and is a part of CIVIC ANTICO and YES network for entrepreneurship.

For the fifteen years the association „Happy life „will continue to provide psycho-social and learning support and realizing career development projects with young people with disabilities.

The association „Happy Life,, has been working on this issue for more than 15 years, organizing humanitarian events. Furthermore, has a creative Center for children and youth with disabilities in Tetovo. This creative center provides psycho-social and learning support and realizing career development projects with young people from marginalized groups.
